Your Way HOME TEAM

We Know You Want To Sell at the Right Price, Fast.

and that's what we do.

We're pretty humble folks. But one thing we know is real estate.

As a seller today, you need a realtor who understands the market and who can move your property quickly, at the right price.

The Your-Way Home Team not only lists properties on more than 350 real estate websites, but also actively works with other agents, gets valuable feedback after showings, and communicates regularly with you, the seller, so you know what's going on with your property.

And we get results: We don't like to brag, but it's a fact that we were recently named among the top 5 REALTORS® in the U.S. and Canada for the sheer number of properties we sell.

"Real estate is what the Your-Way Home Team eats, sleeps and breathes. They help you present your property at a price that's right for the market and will really sell. They get me results."
- Sandy Howard

"You have to have an agent who's willing to change with the market. The Your-Way Home Team actively goes out there and seeks potential buyers. They keep me informed at least once or twice a week. Communication is key, and they're very good at making sure I get that kind of feedback." - Keith Fell

"The house needed some work after the inspection, and the Your-Way Home Team lined all of that up for me and they did everything. I'd never sold a house before, and they went the extra mile to make sure I understood the selling process and answered all my questions. The house sold within three weeks."

- Mary Christian

Can You Buy Happiness?

We Think So.

The Your-Way Home Team approach makes the buying experience easy and stress-free. We meet with you one-on-one to find out exactly the kind of home you're looking for. And we help you understand what to expect throughout the buying process.

Then comes the fun part: Whether you want to see that one perfect house or shop 100 perfect houses, you can be sure that our buying specialists will show you the exact properties that fit your lifestyle and your family. We do it so well, in fact, that we close on a home once every 46 hours.

They were very instrumental in not only helping us find a house we liked but what we really wanted in a house. They really listened and they were with us every step of the way, whether we wanted to look at a house at short notice or when we needed help during the contract negotiations. It was very impressive." - Chris Rabon

"The whole team was great, right from the moment we walked in the door. We had 60 days to find a new house. They called or emailed every day, and were so patient, even when we were asking a million and one questions. For me, that was comforting, and for my wife as well. It was just good to know that they were on our team and were looking out for us and no one else."

- Jody Flanagan

"The Your-Way Home Team was a great help. They looked for properties for me, they found something in my price range, and they basically did all the work for me. It was just the easiest experience I've ever had, and I felt comfortable with them. They just really know their stuff." - Tom Sanders
